

Rack Mounting Kit

Part No: 6130

For KVM-extender series SVX / MVX
RMK-F (Faceplate)

The 19" rack shelf has a universal hole pattern, which also enables a mounting of non 48.3cm devices. Sturdy steel sheet construction with stress-resistant black powder coating, guaranteed high quality kvm-tec equipment.

The rack mounting kit RMK-F is for assembling kvm-tec Smartline SVX and Masterline MVX extenders. It consists of 19" rack shelf and an alu-faceplate.
